

Home Page Structure – Full Documentation

This document defines the **complete Home Page structure**, section names, purposes, and content guidelines. It is suitable for **WordPress, WooCommerce, Elementor, or custom HTML websites**.

1. Header Section

Purpose: Branding, navigation, and quick access.

Includes: - Logo - Main navigation menu - Search bar - Login / My Account - Cart icon - Primary CTA button

Notes: - Sticky header recommended - Mobile hamburger menu required

2. Hero Section (Above the Fold)

Purpose: First impression and value proposition.

Includes: - Main headline (H1) - Supporting subtext - Primary CTA (Shop Now / Get Started) - Background image / slider / video - Trust badges (optional)

3. Announcement / Notice Bar

Purpose: Highlight offers or important information.

Includes: - Free shipping info - Limited-time sales - Coupon announcements

4. Categories Section

Purpose: Fast product discovery.

Includes: - Category cards - Icons or images - Category titles and links

5. Featured Products Section

Purpose: Promote key products.

Includes: - Best sellers - New arrivals - Trending products - Add to Cart buttons

6. Brand / Partner Section

Purpose: Trust and credibility.

Includes: - Brand logos - Partner logos - Certifications

7. Promotion / Offer Banner

Purpose: Increase conversions.

Includes: - Discount message - Countdown timer - CTA button

8. Why Choose Us (USP Section)

Purpose: Explain business strengths.

Includes: - Key benefits - Icons with descriptions - Trust points

9. How It Works Section

Purpose: Explain the user journey.

Includes: - Step-by-step flow - Icons or illustrations - Short descriptions

10. Testimonials / Reviews

Purpose: Social proof.

Includes: - Customer feedback - Star ratings - User images

11. Blog / News Section

Purpose: SEO and education.

Includes: - Latest blog posts - Guides and tips

12. Video / Media Section

Purpose: Engagement and storytelling.

Includes: - Product demo video - Brand story

13. Newsletter Signup

Purpose: Lead generation.

Includes: - Email input - Incentive message - Privacy note

14. FAQ Section

Purpose: Reduce support queries.

Includes: - Common questions - Accordion layout

15. Final Call To Action

Purpose: Push conversion.

Includes: - Strong CTA message - Action button

16. Footer Section

Purpose: Navigation and legal info.

Includes: - About text - Quick links - Policy links - Social icons - Contact details
